

NOTICE

PLEASE TAKE NOTICE that the Chisholm-Hibbing Airport Authority (CHAA) did at its August 21st, 2023 meeting, adopt the following policy and shall thereafter strictly enforce same:

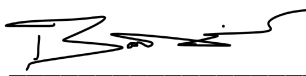

There shall be no inhalation, exhalation, or emission of smoke, aerosol, or vapor by any individual of cannabis products or cannabis flower products or hemp derived consumer products through any device or in any manner upon Chisholm-Hibbing Airport property, including terminal, buildings, parking lots or grounds, whether such buildings are used by the airport or by its tenants or customers. Sales of such products are also strictly prohibited. Violation of this policy shall constitute grounds for immediate expulsion from airport property and referral to the Hibbing Police Department.
